Scenix™ Porch Windows with Retractable Screens

Outdoor Living. Reimagined.

LARSON is transforming outdoor living. As opposed to obstructive screens, Scenix™ offers panoramic views and makes it easy to capture natural air flow. Scenix™ is a whole new way to enjoy the outdoors while adding a unique living space the whole family will enjoy!

As porch living gains in popularity, Scenix™ is an innovative yet practical option for an enclosed porch project. From screen window replacement to new home construction, Scenix porch windows with retractable screens are the perfect way to stretch out the seasons and enjoy a comfortable space, free from bugs and other unpleasant elements.

- Tempered glass panels are 3/16" and offer expansive outside views.
- Top and bottom retractable screens let in fresh air while keeping bugs out.
- Unique design offers protection from the elements.
- Scenix™ is easy to install and can be tailored to fit every kind of porch.

Popular Colours & Custom Sizes

Personalize your Scenix porch to match the look and feel of your home by selecting among our four color options and a wide range of standard and custom size porch window options.
